ABOUT US

Kimsaf Investment Company Limited is a multi-disciplinary Civil, Building, Electrical and Telecommunication construction Company working in the Tanzanian market. Since inception in 2017 we have performed several projects both in public and private sectors, including building and renovation works, water supply and plumbing works, communication towers, electrical and telecom installations, road works, etc.

Our core activities:

- **Civil Works** – Construction of communication tower, power transmission tower, roads, highways, culverts, bridges, dams, drainage, water ways for flood management, block fences, chain link fences, concrete slabs, etc.
- **Building works** – Construction of industrial, commercial, residential, schools / college building, banks and any real estate. We also re-engineer and repair existing structures.
- **Telecommunication works** – Telecom site build – monopole, guyed or self-supporting towers; access roads, site refurbishment, tower erection, strengthening & dismantling; site auditing (equipment and structures); site co-location works; generator installation, repair and maintenance; site fencing; telecom equipment (both active and passive) installation, commissioning and maintenance; solar system installation & maintenance; construction and maintenance of optic fiber cable (OFC) infrastructure (both underground and aerial); OFC cable pulling & blowing.

OUR VISION

- To be the Engineering, Procurement & Construction Company of first choice for all stakeholders.
- We will continue to Engineering Construction improve the image of construction Tanzania.
- Delivery of projects using best International practice standards.
- We will adopt lean and agile processes to compete with leading businesses.
- To become the premiere Privilege company in East Africa.

OUR MISSION

Our Business map starts with our mission, which is enduring long lasting and durable. It declares our purpose as a company and serves as the standard which we contemplate our actions.

To refresh the Engineering, Procurement & Construction business Africa.

To inspire moments of optimism and exuberance.

To create value and make a difference.

To combine the finest established technology with innovation to execute construction works for optimal values and maximum satisfaction to our clients.

THE TEAM

Our team has highly qualified and experienced professionals including accountants, engineers, technicians and artisans. These employees have been carefully chosen and poached from reputable organizations in the supervision, contract management, quality management and project management

We also do have a pool of additional technical personnel – engineers, technicians, riggers, steel fixers, carpenters, plumbers, etc. That are engaged on short notice, as and when required.
